Dear Patty,

Thank you for all the National Association of Professional Organizers did for the Ronald McDonald House of Cleveland (RMH) on January 7, 2009. As you know, RMH operates with a small staff and therefore, organizing and arrangement are not always placed as high as they should be on our To-Do Lists.

The amazing work that you did on our Events Closet, Storage Room and Family Room was so very much appreciated and will continue to be an asset to us throughout the year. Organizing is truly a talent and we are so grateful that you shared your gifts with our House.

You'll be happy to know that after five days, we are still keeping with the system; I hope to report the same news five months from now!

From the bottom of our hearts (and clutter-free closets) we thank you for your time and donations. We hope you will return to RMH soon.

Sincerely,

Samantha Stroud
